Detachable Sensor Type

The Best Quality of Images

Direct type sensor technology offers clear, accurate and high-defined images which are free from image blurring issues. Also, due to the highest X-ray absorptiveness, it maximizes the quality of images.

The Greatest Durability

Medium/large size of X-ray tube tank is able to take more than 80 panorama images per day, which offers the World-class durability.

The Most Increased Convenience

Images from Panorama, CT, Intra oral camera, Digital camera, Intra oral sensor and etc can be controlled by one program, CDX View.

Scan Type Cephalo System (Scan Type: 10sec)
